Objective

To start my career as a Computer Science Engineer where I can apply my programming, problem-solving, and software development skills to contribute to innovative projects while enhancing my technical expertise.

Education

Bachelor of Engineering (B.E.) in Computer Science and Engineering

Nehru Institute of Technology(final year), 2023 - 2027

CGPA : 7.8

HSC

Bharathiyar Matriculation Higher Secondary School 2023

PERCENTAGE: 65%

SSLC

Bharathiyar Matriculation Higher Secondary School 2021

PERCENTAGE: PASS

Technical Skills

- JAVA
- Python
- HTML5 & CSS3
- PHP & SQL
- Git

Projects

SalemFarm Mango – E-Commerce Website (Internship Project)

Tech Stack: HTML5, CSS3, JavaScript, PHP, MySQL

Developed and optimized responsive web applications using HTML, CSS, JavaScript, PHP, and MySQL, improving website responsiveness and delivering a seamless user experience.

Event Booking System

Designed and developed a responsive Event Booking System featuring event listings, booking management, client-side validation, and an intuitive user interface to streamline the registration process.

Internships

Web Developer Intern | Zouis Corp

Feb/23/26 - Apr/10/26

Developed responsive web applications using HTML, CSS, JavaScript, PHP, and MySQL, contributing to the SalemFarm Mango e-commerce project and improving user experience.

Web Developer Intern | Codec Technologies

Apr/13/26 - May/29/26

Developed and maintained web application features, performed testing and debugging, and collaborated with the development team to deliver user-friendly solutions.

Paper Presentation

Paper Presented on Computer Vision Based Geo Tracking of Waste and Alerting System in national level conference, NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

Seminars & Workshops

- Attended Green Skills AI Workshop (Edunet-Shell) at Nehru Institute of Technology, gaining exposure to AI applications in sustainable development.
- Attended “How to Handle and Implementation of AI Tools” Program at Sri Shakthi Institute of Engineering & Technology

Certifications

- Earned “**Internet of Things (NPTEL Elite)**” offered by the IIT Bombay, “**Privacy and security in online social media (NPTEL Elite)**” offered by the IIT Hyderabad, Earned “**Environmental planning and management (NPTEL Elite)**” offered by the IIT Roorkee “**Python for Data Science, AI & Development**” and “**Exploratory Data Analysis for Machine Learning**” authorized by IBM and offered through Coursera.
- “**Foundations of Cybersecurity**” and “**Introduction to Android Mobile Application**” authorized by Meta and offered through Coursera.

Personal Skills

- Time management Team
- work adaptability Quick
- decision Maker
